I just wanted to confirm...were all SPII ballots mailed last week?

I am still awaiting a first draft ER for Venice from Ed. I pressed hard this week, and he has started digging in. He sent some questions Tuesday, which I answered yesterday. Will keep you posted.

Thanks for the specific direction! I asked Rosemary last week (she replied to my first email but not my second.) I'll give that phone # to any owners who say they haven't received their ballots.

P.S. Ed says he's closing in on the general benefit calculation for Venice. So hopefully I'll have an ER soon and will be able to submit MDP/ER sometime next week or the week after.

Thank you very much. I have not heard of any ownership changes since the petition stage, thankfully, although we do have a few owners' properties with outdated owner or address info.

Whom is the best person for any such owner to contact in the Clerk's office?

Have a great weekend!

Hello Tara,

- Once the balloting has commenced by mailing to the owner of record as required by state law, a property owner can contact our office and ask for a replacement ballot to be sent to a different address or even inform us of parcel ownership changes. We will send the property owner a 'REPLACEMENT LOST BALLOT AFFIDAVIT' which they can fill out, sign and return to our office and if everything is in order a replacement, duplicate or updated ballot will be sent out. These transactions are documented in the same way return mail is handled allowing us to have a complete record of what was done and why and where items were mailed.

- South Park II ballots were mailed on May 21, 2015

I e-mailed Rick but saw that he is out until next week. I just wanted to check on to see:

- When the SPII ballots were officially mailed
- If a property owner does not receive a ballot in a reasonable timeframe, what is the process for requesting a replacement?
